ZEBRA BLIND TIMELESS ELEGANCE

Zebra Blind

These stripes give zebra shades their name and a special ability to filter light similar to window blinds or interior shutters.

ZEBRA BLIND SEAMLESSLY INTEGRATE THE LIGHT CONTROL

Privacy Without Compromise: With zebra blinds, you don't have to choose between privacy and natural light. Maintain your privacy while still welcoming gentle sunlight into your space through the sheer fabric bands.

ZEBRA BLIND

TIMELESS ELEGANCE

ZEBRA BLIND SEAMLESSLY INTEGRATE THE LIGHT CONTROL

Sophisticated Aesthetic: Elevate the visual appeal of any room with the modern and sleek design of zebra blinds. Their alternating sheer and solid fabric stripes create a captivating visual effect, adding a touch of elegance to your windows.

Versatile Light Control: Enjoy unparalleled control over natural light and privacy. Zebra blinds allow you to effortlessly adjust the position of the fabric stripes, giving you the freedom to filter light according to your preference.

**Ivory Fold Curtain Track
S-Fold**

Ivory Curtain tracks offer a sleek and modern way to hang curtains, allowing them to glide effortlessly along the track. Achieve a polished look while enjoying the convenience of smooth curtain operation.

Ivory-Fold Curtain Track

Ivory fold curtains, also known as S-Fold are named for their unique shape. If you look down at these draped curtains, you will be able to see the soft "S" shape created by its specially designed tracks. The fabric is not actually pleated—it is instead held in place by a stiffened heading tape attached to the track.
